Dear Phil:

How fine of you to make it possible for the Commission for Blacks to initiate the "Black and White Student Opinion Survey" which has been completed by the Communications Research Center. Now that I have had an opportunity to review the data thoroughly, I would like to discuss the results with you. In addition, perhaps we can arrange a time for you to meet with the entire Commission for Blacks in order that we may discuss the report and "brainstorm" about ways to improve the quality of life for Black students at the University of Tennessee, Knoxville.

Further, on behalf of the Commission for Blacks, I wish to thank you for your interest, support and assistance not only in helping us to conduct the "Black and White Student Opinion Survey" but for working to create a climate within the University that is supportive and responsive to Black students' academic and social needs as well.

With kindest regards.

Sincerely,

Betty J. Cleckley, Ph.D.
Assistant Dean and
Chairperson,
The Commission for Blacks
